ŞİRKET PROFİLİMİZ

1979 yılında İstanbul'da kurulmuştur. Otomotiv ana sanayi ve yedek parça piyasasına oto elektrik malzemeleri üretimi yaparak piyasaya sunmuştur. Kısa bir süre sonra sektörde **AK-SA** markasının tercih edilmesi bizlere daha titiz bir çalışma sorumluluğu getirmiştir. Firmamız bu durumun değerlendirmesini yaparak firma içindeki teknik ekibini güçlendirip; Ar-Ge, Tasarım, Kalite Kontrol ve Kalıphane birimlerini oluşturarak ürün kalitesini daha da geliştirmiştir. Ürün yelpazesine de yeni ürünler katmış ve katmaya da devam etmektedir.

Yurt içi taleplerini karşılamakla birlikte yurt dışı pazar araştırması yapılarak kısa sürede ürünlerimizi başta avrupa ülkeleri olmak üzere dünyanın birçok ülkesine ihraç etmeye başladık ve son on yıldır da üretimimizin % 65 ini ihraç etmekteyiz. Bu da firmamız için gurur kaynağıdır.

Bu yıl şirketimizin 30. kuruluş yıldır. Siz saygıdeğer müşterilerimizin **AK-SA** ürünlerini tercih ederek vermiş olduğunuz destekle bundan sonrada ilk günkü heves ve kararlılıkla çalışmaya devam ederek sizlerin güvenine laik olmaya çalışacağız.

Hep birlikte nice otuz yıllara ulaşmak dileğiyle...

Saygılarımızla,

MİSYONUMUZ

Her zaman çalışanlarımızla, müşterilerimizle ve tedarikçilerimizle kazan-kazan politikası içerisinde üretim faaliyetlerimizi gerçekleştirmek; bu süreç içerisinde de toplam kaliteden, sürekli gelişmeden, çevreye karşı duyarlılığımızdan ödün vermeden Türkiye Otomotiv Yan Sanayi pazarında olduğu gibi dünya otomotiv yan sanayi pazarında da kendini alanında en iyi şekilde tanıtmaktadır.

VİZYONUMUZ

İş ortaklarımız arasına Türkiye'deki otomotiv ana sanayi müşterilerimiz gibi, dünyanın bir çok ülkesindeki ana sanayi firmalarını da katarak üretim yapmak, uzmanlık alanımız içerisinde firmamızdan dünya otomotiv ana sanayi firmalarına ihracatımızı da sürekli arttırarak **AK-SA** markasını dünyada tanınan ve tercih edilen bir marka durumuna getirmektir.

COMPANY PROFILE

It has been founded in 1979 in Istanbul. Its mission for foundation is produce various kinds of electricals spare parts for main automotive and for the after market. In sector at the short time **AK-SA** is becoming the preferred brand as a result of its valuation the product quality. Our assessment if this situation within the company to strengthen the technical team; and open R&D, Design, Quality Control and Tooling Departments and by increasing the product quality even more, widened the product range.

With the demands of domestic customers and by making international market researches, we been exporting our products, Europe is being our main market, to very many countries in the world. We have been exporting 65% of our production in the last 10 years. This is our pride source on behalf of our company

This year, our 30th. year institutions is. Respect for you products of our customers prefer the first day, then continue to work with enthusiasm and commitment to the trust that you will try to be secular.

Hope to get together with nice 30th years.

Kind Regards

OUR MISSION

To materials our production activities with our work force, our customers and suppliers with win-win policy for all the time; to introduce itself in its field of activity in the best possible way in the world automotive supplier market as it does in the Turkish Automotive supplier market without any compromise in the quality, continuous development, environmental sensitivity.

OUR VISION

Business partners in Turkey between the main industrial customers, as many of the world in the main industrial countries, the company also adds to the production, expertise in our field, our company main world automotive industry companies in our exports to increase by **AK-SA** brand known worldwide and preferred brands to bring to the state.

KALIPHANE BÖLÜMÜ

Kaliphane bölümümüzde firmamızın kalıp ihtiyacının tamamını ürettiğimiz gibi, müşterilerimizden gelecek ürün ve kalıp taleplerinin tasarım ve imalatını da karşılamaktayız.

TOOLING SHOP

Our company needs the entire section of our tooling patterns like our produce, our customers and future product design and manufacturing of molds are also welcome.
